

## *Seven-Night Silent Retreat with Dorothy Hunt*

*June 18 - 25, 2012*

*Vajrapani Institute, Boulder Creek, California*

**Awakening** is a spontaneous happening that occurs when the mind is quiet and seeking has ceased, if even for a moment. Our true nature awakens from its dream of separation, and we discover there is no separate “me” to enlighten. Silence, stillness, and relaxation facilitate the remembering of the truth of what we are. Once that truth has revealed itself, our movements are guided and directed from beyond the illusion of separation towards the full and loving embrace of what is.

**Retreat** offers a powerful opportunity to be immersed in Silence, the source of both realization and ongoing embodiment of truth. Retreat activities include several periods of meditation and satsang each day, simple movement, a karma yoga job, *dokusan*, and free time to explore the beautiful **Vajrapani Institute** Retreat Center, which is situated on 70 acres of redwood forest in the Santa Cruz Mountains. Housing choices include tent camping, dormitory accommodations, and a few private or semi-private rooms.

**Early registration discount**  
**Limited scholarships available**

*Silence speaks truth each moment.  
Listen with your whole being.  
A single Reality is shining, intimate  
beyond knowing or unknowing.*

**Dorothy Hunt** serves as Spiritual Director of Moon Mountain Sangha, teaching at the request and in the spiritual lineage of Adyashanti. She is the founder of the San Francisco Center for Meditation and Psychotherapy and is a licensed psychotherapist, practicing since 1967. Dorothy is the author of *Only This!*, and a contributing author to both *The Sacred Mirror: Nondual Wisdom and Psychotherapy* (vol.1), and *Listening from the Heart of Silence* (vol.2). Dorothy’s teaching points directly to our inherent and undivided nature, combining elements of Advaita and Zen with a love for life’s whole expression.
