*“Enter with love the temple that is your own heart,
silently allowing the deep within to flow on and into the deep beyond”*

This retreat day is for any who have been touched by the life and teachings of **Ramana Maharshi**, or for those simply curious about this great sage of the 20th century. While his silent presence was his greatest teaching, he also advocated a direct path to Self-realization through Self-Inquiry. Please join us for silence, satsang, and reflections on his life and teachings.

Dorothy Hunt, Spiritual Director of Moon Mountain Sangha, will facilitate this retreat day. She is a teacher in the spiritual lineage of **Adyashanti** and founder of the San Francisco Center for Meditation and Psychotherapy. Her books include *Only This!*, *Leaves from Moon Mountain*, and *Ending the Search: from Spiritual Ambition to the Heart of Awareness*. Dorothy has a long and deep connection with the teachings of Ramana Maharshi and offers this day by donation only to any who are interested in coming to sit in silence and listen with the Heart.
